SELF-GUIDED TOURS

Open Daily | Dawn to Dusk

Tour our completed new homes on your own
schedule using the NterNow app!

HOW IT WORKS

Our homes are open every day for self-guided tours. Each home is connected to NterNow, an app that allows you to access and tour our homes at your convenience!

Once you're at the home:

1

Open your NterNow app and use the instructions located at the front door.

2

Enter the property ID, which will be on the front door sign.

3

Verify your identity: scan your ID or enter information manually.

4

Get a one-time code: Once you receive the code, punch it in and start your tour!
