I. GENERAL INFORMATION

For most of our residents, Country Walk is their home. They live here permanently, and only through their cooperative efforts have they attained our unique residential atmosphere. For many, Country Walk living is a new way of life, a melting pot of different personalities and lifestyles. When enjoying one's home and/or the community facilities, one should take care not to infringe upon the rights of other residents, respecting their privacy, peace and tranquility. Therefore, certain standards for individual behavior are necessary to ensure pleasant and harmonious community living.

It is the desire of the Board of Directors of the Country Walk of Melbourne Homeowners Association, Inc., to serve the best interests of ALL residents. That is why the Association has declared these policies and procedures, so we can maintain our desired lifestyle and enhance the value of our homes.

It is the duty of all homeowners to become familiar with and to inform their guests and/or tenants of these policies and procedures.

These Policies and Procedures are in accord with the Country Walk of Melbourne Homeowners Association, Inc. Covenants and Restrictions, and By-Laws and the Suntree Homeowner's Association (SMHA) Covenants and Restrictions and with Florida State Statutes.

These Policies and Procedures will be enforced by legal means. Continued violation and disregard by a homeowner, tenant or guest will be referred to the Board of Directors for legal proceedings.

A. Volunteers:

Please remember the Association is run by a volunteer Board from among Country Walk residents. These are non-paying jobs. These volunteers follow a Board of Directors Code of Conduct and are here to serve the rest of the residents in keeping our community the finest in Suntree.

B. Association Fee:

The Association Fee is due on the first of each month. Payment can be made through the Advanced Property Management website, or by check mailed to Country Walk of Melbourne HOA, Inc., PO Box 66002, Phoenix, AZ 85082-6002.

A late payment is defined as not being received by the 15th of each month and will incur a \$25.00 fine, plus 1.5% interest on the unpaid balance each month.

Your association fee goes towards the following areas:

- Operating Expenses: Printing and copy work; stamps and postal charges; office supplies; Internet;
- Administrative Expenses: Advanced Property Management, insurance; bank charges; accounting and legal fees; community relations; permits and licenses;

- General Reserve and Paint Reserve;
- Landscaping Maintenance and Supplies: Lawn maintenance (cutting, trimming, edging, herbicide, pesticide, fertilizer) common area mulching as determined by the Board of Directors; tree, palm and shrub maintenance and replacement in common areas;
- Other Operating Expenses: Irrigation system; ponds and environment; cabana, pool, community tool shed/ pump house, gatehouse and community wall; general maintenance; paint project; road repairs;
- Utilities Expenses: Water and sewer and electricity on common property.

C. Entrance Security Gate:

When the entry gate is down, residents and guests must enter the gate code given to you by the Board of Directors. A remote control can be purchased, if available, thereby avoiding the need to stop and enter the code.

D. Residents Directory:

A directory of residents will be periodically updated and available to all residents by the Association. This directory will include a list of Board members and committee chairpersons and their respective areas of responsibility.

E. Homeowner's Meetings:

The date of the annual meeting shall be determined by the Board of Directors. Notices will be displayed at the Gatehouse in advance of the meeting.

F. Board of Director's Meetings:

The Board of Directors regularly scheduled monthly meetings are held on the third Tuesday of each month at 7:00 PM or as otherwise announced. Notice of each meeting will be posted at the Gatehouse, via email, and on the www.cwhoafl.com website. All Country Walk Homeowners are invited to attend. Meetings are held in the Community Meeting Room in the rear of the pool complex, and via Google Meet.

G. Community Newsletter:

A community newsletter is published periodically. You are welcome to submit ideas for articles of community interest to the editor of the newsletter for publication; however, no advertising is permitted.

H. Suntree Master Architectural Review Committee (ARC):

The intent of the Suntree Master Architectural Review Committee (ARC) is to assure residents that the standards will always be maintained. This process protects and enhances Suntree's overall environment. *Refer to the Suntree Master Mod/Arc Application form for details.*

The Country Walk of Melbourne Homeowners Association, Inc., has a subordinate ARC committee. This committee serves as the preliminary contact for Country Walk residents and will review and

approve/deny all MOD/ARC applications prior to resident submitting it to the Suntree ARC committee for final approval or denial when appropriate.

It should be noted that ANY change to the exterior structural appearance of a resident's property MUST be approved by both the Country Walk MOD/ARC committee and Suntree ARC Review Board prior to the commencement of any work.

In addition, a Landscape MOD/ARC form must be completed prior to any changes to the landscape on the resident's property (see Appendix A for the form). It is recommended to follow Florida Friendly Landscape principles.

II. PAINT PROJECT:

1. The Country Walk HOA has a paint reserve established which encourages homes to be repainted at least every 8 years. You may choose to paint before 8 years; your paint reserve would be calculated on a year-to-date basis. \$15 monthly from your HOA dues are put in this paint reserve. You will be notified by the CWHOA Paint Project Coordinator when your home is due to be painted.
2. Homeowners shall have the choice of sixteen (16) paint color choices for both body or trim and eight (8) paint colors for trim only.
3. Homeowners of detached dwellings shall not be limited in their choice of color scheme based on neighbors' colors.
4. Townhome "blocks" shall be painted a single-color scheme agreed upon by the homeowners residing within each "block". If the homeowners cannot agree on a single-color scheme, the color scheme will not be changed.
5. Homeowners shall complete a MOD/ARC request form and submit it for approval to the Country Walk MOD/ARC chairperson and President (can be done online) prior to homeowner submitting it to the Suntree Masters Homeowners Association office on Spyglass Road for approval. Paint chips of colors to be used and a \$30 check for SMHA must accompany the MOD/ARC.
6. The Homeowner should choose a paint contractor to paint their home. If requested, Country Walk HOA will provide a list of currently approved painters on file in CW that can do the work.
7. If choosing an outside painter, your contractor must have a Business Tax Receipt and must provide proof of General Aggregate Liability Insurance for the amount of \$1,000,000, prior to the beginning of work.

8. The scope of work should be applied by brush or roller to avoid paint drift. If your supplier sprays the paint, you may be responsible for any “drift” of paint to your neighbor’s property.

9. If the Homeowner chooses to paint their own home as long as they execute a liability waiver of the association they are entitled to funds in their account once satisfactory completion has been established.

B. Owners are responsible for any damage or defacing of property which they, their guests, or their tenants may have caused.

C. Covered, secured trash and/or recycling containers provided by Waste Management are to be used and placed curbside or at the end of the driveway within twenty-four (24) hours before, or after, the designated garbage collection day or time. The same procedure applies to yard waste which should be placed in containers not in plastic bags.

D. Pets: No animals, except cats, dogs, aquarium fish, caged birds, caged small mammals (rabbits, hamsters, gerbils, guinea pigs, mice, rats, ferrets) caged non-poisonous snakes, caged non-poisonous reptiles and caged non-poisonous amphibians, may be kept as Pets by Lot Owners on their Lot, and the term "Pet" or "Pets" shall expressly be defined to only include such animals. Pets shall not be held or offered for sale or maintained or bred for any commercial use or as a hobby, and homeowners are encouraged to have such Pets neutered. Each Pet shall reside and be sheltered inside a Lot. Pets shall not be permitted to run loose, and each Pet must be physically leashed when outside the owner's Lot. Except for ingress and egress, Pets, when outside the owner's Lot, shall be confined to and only permitted on the sidewalks, streets and grass verges immediately adjacent to a sidewalk or street. Animals other than those defined as Pets shall not be kept, allowed on or maintained in the Country Walk subdivision. No Pet shall be permitted to remain in the Country Walk subdivision if it disturbs the tranquility of the Lot Owners, Guests, occupants or tenants, or is dangerous, annoying, a nuisance or destructive as determined by the Association's Board of Directors in their sole unfettered discretion. All Pets shall be kept in strict accordance with all local laws and ordinances, including Brevard County Animal Services Pet Laws and Florida Statutes (including leash laws and limits on numbers of pets allowed), and in accordance with all rules and regulations established by the Association. All Guests shall also abide by this Section. Notwithstanding anything to the contrary, the Association's Board of Directors shall have the unilateral unfettered right to modify the term "Pet" to include or exclude other animal(s) or to modify the other terms of this Section by a majority vote of the Association's Board of Directors, without any membership approval, and such modifications shall become operative upon any reasonable notice of the change being provided to the Lot Owners.

Pets are not allowed to relieve themselves away from homeowner's Lot unless their owner and/or a responsible adult accompany them. Pet feces deposited on streets or property other than the homeowner's must be promptly removed and properly disposed of by the custodian of the Pet. Pet feces

deposited on the homeowner's property are to be promptly removed so as to not interfere with lawn maintenance personnel, sprinkler repairmen, etc.

When used, portable basketball hoops must be placed and used only on the top half of the driveway where the game play would not extend into the street.
