Property Assessed Clean Energy (PACE) Lien Disclosure

Re: 5280 Peachtree Blvd N. Dunwoody ("Property").
[Insert Property Address] GA 30324

A PACE loan (made to finance qualifying improvements to residential and commercial property relating to energy efficiency, renewable energy or wind resistance) is repaid through the property owner's real estate tax bill as a non-ad valorem assessment. The lien of the PACE loan is a priority lien, which typically has automatic first lien priority over previously and subsequently recorded mortgages on the Property. Sellers MUST disclose the existence of a PACE lien prior to the execution of a Contract for Sale and Purchase of a Property. While property taxes are legally transferrable when a sale or refinance occurs, most mortgage lenders require a full payoff of the PACE lien at the time of closing of a sale of the Property.

Therefore, at or before the time a Buyer executes a contract for the sale and purchase of any property for which a non-ad valorem assessment is levied and has an unpaid balance due under section 163.08, Florida Statutes, the Seller shall give the prospective Buyer a written disclosure statement in the following form:

**Qualifying Improvements for energy efficiency,
renewable energy, or wind resistance.**

The property being purchased is located within the jurisdiction of a local government that has placed an assessment on the property pursuant to s. 163.08, Florida Statutes. The assessment is for a qualifying improvement to the property relating to energy efficiency, renewable energy, or wind resistance, and is not based on the value of property. You are encouraged to contact the county property appraiser's office to learn more about this and other assessments that may be provided by law.

[Seller(s), please select **only one** of the 2 options below.]

- ☒ I (We)/Seller(s) attest that I (We) have **NOT** applied for, **nor is the Property subject to**, a PACE home improvement lien.

- ☐ I (We)/Seller(s) attest and disclose that there **IS** a PACE lien on the Property. I (We) shall provide all necessary documentation and cooperate with Buyer(s), the closing agent and/or title insurer in order to pay-off and ultimately satisfy such lien at or following the closing transaction for the Property.
