WIRE FRAUD ADVISORY:

The ability to communicate and conduct business electronically is a convenience and reality in nearly all parts of our lives. At the same time, it has provided hackers and scammers new opportunities for their criminal activity. Many businesses have been victimized and the real estate business transaction is no exception.

While wiring funds is a welcome convenience, buyers and sellers need to exercise extreme caution! E-mails attempting to induce fraudulent wire transfers have been received and have appeared to be legitimate. Reports indicate that some hackers have been able to intercept emailed wire transfer instructions, obtain account information and, by altering some of the data, redirect the funds to a different account.

It also appears that some hackers were able to provide false phone numbers for verifying the wiring instructions. In those cases, the buyers called the number provided to confirm the instructions, and then unwittingly authorized a transfer to somewhere other than escrow. Sellers have also had their sales proceeds taken through similar schemes.

ACCORDINGLY, BUYERS AND SELLERS ARE ADVISED:

1. Obtain the phone number of the Escrow Officer at the beginning of the transaction.
2. DO NOT EVER WIRE FUNDS PRIOR TO CALLING YOUR ESCROW OFFICER TO CONFIRM WIRE INSTRUCTIONS. ONLY USE THE PHONE NUMBER YOU WERE PREVIOUSLY PROVIDED. Do not use any altered phone number included in the emailed wire transfer instructions.
3. Orally confirm the wire transfer instructions are legitimate, and confirm the bank routing number, account numbers and other codes before taking steps to transfer the funds.
4. Avoid sending personal information in emails or texts. Provide such information in person or over the telephone directly to the Escrow Officer.
5. Take steps to secure the system you are using with your email account. These steps include creating strong passwords with numbers and symbols, secure WiFi, and not using free services.

If you believe you have received questionable or suspicious wire instructions, immediately notify your bank, the Escrow Holder and your real estate agent. **TIME IS OF THE ESSENCE!**
